

CEAP PAC MEETING Minutes

Tuesday April 9th, 2024

Winchelsea Learning Center

Attendance and Introductions

Approval of Agenda and Last Meeting's Minutes

Principal's Report

- Code of Conduct is being created and reviewed. PAC got to see the first draft.
- Observable Evidence goals are being set among students and staff. The main goal is Student Engagement, and what this looks like between students, educators and principal.
- There will be a field trip to Imagine Highschool in Chiliwack. At Imagine High, educators use the four pillars of Integrated Arts and Technology (SD33) in combination with our core values of equity, inclusion, and diversity, position the "learner in community" at the center of our work. We are looking at how we can add this learning to our curriculum.
